Product description

This set of 18" Cayman III summer wheels for the Porsche Boxster and Cayman 981 models is an exceptional choice for drivers seeking both style and performance during the summer months. The set includes four wheels with dimensions of 8J x 18 ET57 for the front and 9J x 18 ET47 for the rear, perfectly tailored to fit the specific dimensions and handling characteristics of the Porsche Boxster and Cayman 981 models.

Each wheel is equipped with brand new Pirelli P Zero summer tires, renowned for their superior grip and performance in warm weather conditions. The front tires are sized at 235/45 R18, while the rear tires are slightly wider at 265/45 R18, ensuring a balanced and responsive driving experience. The Pirelli P Zero tires are designed to offer excellent wet and dry traction, precise handling, and enhanced braking efficiency.

The OEM number for this set is 981362122048Z8KP2, confirming its authenticity as a genuine Porsche part. This ensures that the wheels and tires meet the high standards of quality and performance expected from Porsche components.

Condition-wise, these wheels and tires are listed as used but are described as being in near-new condition with very low mileage. They may show minimal signs of wear or storage marks, but they come with factory-new tires that have zero kilometers on them, ensuring maximum tread life and performance.

This wheel and tire set is an ideal upgrade for any Porsche Boxster or Cayman 981 owner looking to enhance their vehicle's aesthetics and driving capabilities during the summer season. With its combination of genuine Porsche wheels and top-quality Pirelli tires, this set offers an unbeatable mix of performance, reliability, and style.
