Product description

This high-quality 18-inch "Carrera III" wheel from BBS, specially designed for the Porsche 911 model 997, is an excellent choice for 997 Carrera 2 and 2S vehicles with rear-wheel drive. The rim has a width of 10J and an offset value (ET) of 58, which ensures an optimum fit and excellent driving characteristics.

The rim bears the OEM number 99736214001 and impresses with its elegant silver colouring, which gives your Porsche a stylish and appealing appearance. As an original Porsche part, this wheel guarantees not only a perfect fit, but also compliance with the manufacturer's high quality standards.

Condition of the product is new, which means that it is a new, unused and undamaged item. You can therefore be sure that you are receiving a product of the highest quality and without any defects.

The "Carrera III" wheel is suitable for both the left and right side of the vehicle and is fitted to the rear of the vehicle. The dimensions and precise design ensure improved driving performance and an impressive appearance.

To summarise, the 18-inch "Carrera III" wheel from BBS is a first-class choice for your Porsche 911 997, which not only impresses with its functionality and quality, but also enhances the aesthetic appearance of your vehicle.
