### Product description

This set of Carrera Classic summer wheels for the Porsche 911 model 992.1 combines aesthetics with outstanding performance. The rims in the set are sized 8.5J x 20 ET50 for the front axle and 11.5J x 21 ET67 for the rear axle, guaranteeing an optimal fit and excellent driving characteristics. The wheels are fitted with high-quality Goodyear Eagle F1 Asymmetric 3 summer tyres, which are supplied in sizes 245/35 R20 for the front and 305/30 R21 for the rear. These tyres offer excellent grip and performance on both dry and wet roads.

In addition, the wheels are equipped with TPMS (tyre pressure monitoring system) sensors, which constantly monitor the pressure in the tyres, ensuring increased safety and improved driving dynamics. The rims and tyres are new or as good as new, with the rims having very low mileage and possibly showing minimal signs of use or storage. The tyres are brand new (0 km mileage).

The OEM number for this set is 992044661K, which confirms its authenticity and quality as a Porsche original part. This wheel set is ideal for drivers who value original parts and perfect matching with their vehicle. It offers an excellent combination of style and functionality, making it an excellent choice for your Porsche 911 model 992.
