### Product description

This set of 20" Turbo S centre-lock winter wheels for the Porsche 911 model 991 is an excellent choice for drivers who expect optimum performance and safety even in winter. The rims measure 8.5J x 20 ET51 for the front axle and 11J x 20 ET59 for the rear axle, ensuring a perfect fit and excellent driving stability.

The wheels are fitted with new Michelin Pilot Alpin PA4 winter tyres, which are renowned for their excellent traction and impressive braking performance on snow and ice. The tyre sizes are 245/35 R20 for the front and 295/30 R20 for the rear, enabling balanced driving dynamics and excellent control in winter conditions.

In addition, the wheels are equipped with TPMS (tyre pressure monitoring system) sensors, which constantly monitor tyre pressure and contribute to safety by informing the driver when tyre pressure is not optimal. The OEM number for this wheel set is 99104460064, which confirms its authenticity and quality as Porsche genuine parts. The condition of the wheels is described as very good and undamaged, making them a reliable choice for your Porsche. This high-quality winter wheel set is not only functional but also aesthetically pleasing and perfectly matches the sporty character of the Porsche 911 model 991. Ideal for Porsche drivers who do not want to compromise on performance and safety even in the cold season.

## Technical specifications
