Product description

The "718 Sport" summer wheel set in 20 inches, dedicated to the Porsche 718 Boxster and Cayman models from the 982 series, is a unique set that combines both functionality and aesthetics. The set includes four 8.5J x 20 ET57 rims for the front axle and 10.5J x 20 ET47 rims for the rear axle, ensuring a perfect fit and exceptional vehicle performance.

The rims feature an attractive aurum seidenmatt finish, which not only emphasises the sporty character of the car, but also adds elegance. The set is complemented by high-quality Pirelli summer tyres in sizes 235/35 ZR20 for the front axle and 265/35 ZR20 for the rear axle, which offer excellent grip and stability even at high speeds.

In addition, the wheels are equipped with TPMS (tyre pressure monitoring system) sensors, which monitor the condition of the tyres in real time, thus increasing driving safety and efficiency. The entire set is an original Porsche product, which guarantees trouble-free compatibility and the highest quality.

The OEM number for this wheel set is 98204460216. The product is new, unused and undamaged, delivered directly as an original Porsche part. The perfect choice for drivers who value excellent performance, safety and a distinctive, sporty style.
