Product description

Enhance your Porsche Macan III's winter driving capabilities with this set of 20" "Macan S" high-gloss black winter wheels. Designed specifically for the Porsche Macan model 95B (2019-2024), these wheels are not only stylish but also engineered for superior performance in cold weather conditions.

This set includes two different sizes of rims: the front rims are 9J x 20 ET26 and the rear rims are 10J x 20 ET19, ensuring a perfect fit and balanced aesthetics for your vehicle. The wheels are equipped with high-quality Pirelli winter tires, sizes 265/45 R 20 for the front and 295/40 R 20 for the rear, offering excellent traction and control on snowy or icy roads.

The rims are finished in a sleek, high-gloss black that adds a touch of elegance to your vehicle's appearance. Additionally, the set comes with Tire Pressure Monitoring System (TPMS) sensors pre-installed, enhancing your safety by providing real-time tire pressure information.

This product is brand new, unused, undamaged, and is an original Porsche part, ensuring compatibility and quality. The OEM number for this set is 95B044651E 041, confirming its authenticity and specification match for your Porsche Macan.

Upgrade your winter driving experience with these stylish and functional Porsche Macan S winter wheels, combining safety, performance, and luxury in one package.
