Product description

This set of 20" Panamera Turbo winter wheels for the Porsche Panamera model 976 is an excellent choice for drivers who do not want to compromise on performance and style during the winter months. The set consists of high-quality rims measuring 9.5J x 20 ET71 for the front axle and 10.5J x 20 ET71 for the rear axle, which guarantee an optimal fit and excellent driving characteristics.

The rims are fitted with Bridgestone winter tyres in sizes 275/40 R20 for the front axle and 315/35 R20 for the rear axle. These tyres offer excellent grip and safety on winter roads thanks to their specially developed rubber compound and advanced tread design.

The wheels are finished in Adamantium, giving them a modern and robust look that perfectly matches the sporty character of the Porsche Panamera. The OEM number for this wheel set is 976044600B, which confirms its authenticity and quality as genuine Porsche parts.

The product is new, which means it is a brand new, unused and undamaged item. This guarantees that you will receive a product of the highest quality and in perfect condition. This set of winter wheels is not only functional but also aesthetically pleasing, helping your Porsche Panamera maintain its exceptional appearance and performance even in winter.
