Product description

Upgrade your Porsche 911 991.1 Carrera or Carrera S (pre-facelift, rear-wheel drive models) with this set of 20" SportTechno summer wheels for a sleek, performance-oriented look and enhanced driving experience. This set includes two front wheels sized 9J x 20 ET51 and two rear wheels sized 11.5J x 20 ET68, all finished in a striking high-gloss black that adds a touch of elegance and sportiness to your vehicle.

The wheels are equipped with brand new Pirelli P Zero summer tires, renowned for their superior grip and handling characteristics. The front tires are sized 245/35 R20, while the rear tires are 305/30 R20, providing a perfect balance of performance and aesthetics. This combination ensures excellent road holding and improved response to steering inputs, making your driving experience both safer and more enjoyable.

Please note that this wheel set does not include TPMS (Tire Pressure Monitoring System) sensors. The wheels and tires are in a new or like-new condition, with the tires being factory fresh (0 km) and the rims showing minimal signs of wear or storage marks, if any.

The OEM number for this set is 99104460259041, confirming its authenticity as a genuine Porsche original part, specifically designed for compatibility with the Porsche 911 model 991.1. Whether you're replacing older wheels or looking to upgrade the performance and style of your Porsche, this set of SportTechno wheels with new Pirelli tires is an excellent choice.
