Product description

The set of 20" Turbo S Aero Design summer wheels for the Porsche Taycan J1 (built between 2019 and 2024) combines outstanding performance with a stylish appearance. This set includes four high-gloss black rims measuring 9J x 20 ET54 for the front axle and 11J x 20 ET60 for the rear axle. The rims are specially designed for use on the Porsche Taycan J1 and contribute to improving driving stability and aesthetic appearance.

The wheels are fitted with high-quality Michelin summer tyres, which guarantee optimum performance in warm weather conditions. The tyre dimensions are 245/45 R20 at the front and 285/40 R20 at the rear, offering excellent grip and driving safety. In addition, the wheels are equipped with TPMS (tyre pressure monitoring system) sensors that constantly monitor the condition of your tyres and contribute to safety. The OEM number for this wheel set is 9J1073650F, which confirms its authenticity and quality as a Porsche original part. This new, unused and undamaged product ensures that you are using only genuine parts on your vehicle, maintaining the performance and value of your Porsche Taycan. This wheel set is not only functional, but also visually appealing, giving your Porsche Taycan a unique and sporty touch. Ideal for drivers who value both aesthetics and performance.
