(nett:3.425,25 €)

Product description

The set of 20" Turbo S Aero Design summer wheels for the Porsche Taycan is an excellent choice for drivers who want to enhance both style and performance. These wheels are specially designed for the Porsche Taycan and offer a perfect fit and outstanding driving quality.

The rims in the set measure 9J x 20 ET54 for the front axle and 11J x 20 ET60 for the rear axle, ensuring optimal alignment and balance of the vehicle. The black silk matt finish gives your Taycan an elegant yet sporty look.

Equipped with brand new Michelin summer tyres in sizes 245/45 R20 at the front and 285/40 R20 at the rear, these wheels offer exceptional grip and outstanding performance in both dry and wet road conditions. The tyres are known for their durability and low rolling resistance, which contributes to improved fuel efficiency.

The rims and tyres are marked as new, with low mileage and possibly minimal signs of use or storage, while the tyres are factory new (0 km). This guarantees that you receive a product of the highest quality that meets the strict standards of Porsche Genuine Parts.

The OEM number for this wheel set is 9J1073650F JE1, which confirms its authenticity and specific fit for the Porsche Taycan. This high-quality wheel set is not only a practical upgrade for your vehicle, but also an aesthetic one, improving its appearance and driving characteristics.
