Product description

This set of 20" Turbo S Aero Design summer wheels for the Porsche Taycan J1 (2019-2024) combines aesthetics with outstanding performance. The rims, in dimensions 9J x 20 ET54 for the front axle and 11J x 20 ET60 for the rear axle, are finished in an attractive high-gloss black, giving your vehicle a striking and elegant look.

The wheels are fitted with brand new Michelin summer tyres, sizes 245/45 R20 at the front and 285/40 R20 at the rear, offering optimum grip and excellent handling characteristics in warm weather conditions. This tyre combination not only ensures improved road holding, but also increased safety when driving.

In addition, the wheels are equipped with TPMS (tyre pressure monitoring system) sensors, which constantly monitor the pressure in the tyres and thus provide an additional level of safety.

The rims and tyres are marked as Porsche genuine parts and are in mint condition with minimal signs of use or storage. The tyres are factory new (0 km mileage), giving you the assurance that you are purchasing a product of the highest quality and reliability.

The OEM number for this set is 9J1073650F, which ensures authenticity and a specific fit for the Porsche Taycan J1. This high-quality wheel set is an excellent choice for optimising the performance and appearance of your Porsche Taycan.
