Product description

This set of 21-inch RS Spyder design summer wheels for the Porsche Cayenne Coupé E3/9Y0 II (facelift from 2023) combines excellent performance with a stylish appearance. The rims in the dimensions 9.5J x 21 ET46 and 11.0J x 21 ET49 are finished in an attractive high-gloss black, which gives your vehicle a particularly elegant touch.

The wheels are fitted with high-quality new Pirelli P Zero summer tyres in sizes 285/45 R21 and 315/40 R21, which ensure optimum grip and driving stability in warm weather conditions. This tyre combination has been specially designed for the performance requirements and handling of the Porsche Cayenne Coupé to ensure both comfort and excellent driving characteristics.

In addition, the wheels are equipped with TPMS (tyre pressure monitoring system) sensors that constantly monitor the condition of your tyres and contribute to safety by informing you of any changes in tyre pressure. The item is used but in very good condition and undamaged. These are original Porsche parts, which guarantees high quality and a perfect fit. The OEM number for this wheel set is 9Y0044643F. This wheel set is only suitable for the Porsche Cayenne Coupé II (facelift from 2023) and is an excellent choice for improving the aesthetics and performance of your vehicle.
