### Product description

This set of 21" Panamera Turbo S summer wheels for the Porsche Panamera model 976 is an excellent choice for drivers who value performance and aesthetics. The set includes four high-quality rims measuring 9.5J x 21 ET71 for the front axle and 11.5J x 21 ET69 for the rear axle, finished in an attractive dark silver. These are specially designed for use with the vehicle's central locking system, which not only enables quick installation but also ensures improved wheel centring and thus increased driving safety.

In addition, the rims are fitted with Michelin Pilot Sport S5 summer tyres, which come in sizes 275/35 R21 for the front axle and 325/30 R21 for the rear axle. These tyres offer excellent grip and performance on both dry and wet roads and are ideal for high speeds and sporty driving.

The item is new, unused and undamaged, making it a safe investment. As genuine Porsche parts, these wheels not only guarantee a perfect fit, but also comply with Porsche's high quality standards. The OEM number for this wheel set is 976044660P.

This wheel set is an excellent addition to your Porsche Panamera, enhancing both the appearance and performance of your vehicle.
