## Product description

This high-quality 21-inch wheel in "GT Design" for the Porsche Macan, model 95B (built between 2014 and 2024), impresses with its elegant finish in high-gloss black. The rim measures 9.5J x 21 with an offset (ET) of 27. This design not only gives your vehicle an impressive look, but also ensures an optimal fit and performance.

The wheel has the OEM number 95B601025FS041 and was developed by Porsche as an original part specifically for the Macan, which guarantees high quality and durability. It is used but in very good condition and undamaged. The technical designation is "high-gloss black" and the feature code is 041. This wheel rim is suitable for both the left and right sides of the vehicle and is intended for mounting on the front axle. This product is ideal for drivers who value original parts and a stylish appearance for their Porsche Macan. The combination of exclusive design and first-class workmanship makes this wheel rim an excellent choice for your vehicle.
