Product description

This high-quality 21-inch wheel in the Mission E design from Porsche Taycan offers an exclusive look and outstanding quality. The wheel measures 9.5J x 21 with an offset (ET) of 60 and is designed in an elegant aurum silk matt finish that gives your vehicle a special shine. The rim has been specially developed for the Porsche Taycan, guaranteeing a perfect fit and optimum performance.

The wheel is new, unused and undamaged, making it an excellent choice for vehicle owners who value quality and originality. As an original Porsche part (OEM number: 9J1601025AAOP9), it meets the manufacturer's strict requirements in terms of material quality and manufacturing precision.

The combination of exclusive design and robust construction not only enhances the visual appeal of your vehicle, but also improves driving stability and durability. Ideal for drivers who value both style and functionality.
