Product description

This high-quality 22-inch rim for the Porsche Cayenne E3/9Y0, specifically the Turbo GT model, is an essential element for anyone who values aesthetics and performance. The rim has a width of 10J and an offset (ET) of 48, ensuring an optimal fit and excellent driving characteristics. The Vesuvius Grey colour gives your vehicle a stylish and unique look that clearly stands out from the crowd. The rim has the OEM number 9Y3601025CCOU9 and has been developed as an original Porsche part specifically for the Cayenne > Model 9Y0 (from 2018 onwards). This guarantees perfect compatibility and the highest quality standards you would expect from Porsche. The item is new, unused and undamaged, ensuring a long service life and reliability. As a genuine Porsche part, this wheel rim meets all the specific requirements and quality criteria set for Porsche vehicles.

In addition to its technical excellence, the wheel rim also offers symmetrical application, as it is suitable for both the left and right sides of the vehicle and is designed for the front axle. This facilitates installation and maintenance.

Overall, the 22-inch Turbo GT wheel in Vesuvius Grey is an excellent choice for vehicle owners who want to enhance the appearance of their vehicle and are looking for a reliable and high-performance solution for their wheels.
