Product description

This original rear silencer for the Porsche Panamera G2/971 with a 4.0L engine is an essential replacement part for the left side of your vehicle. Specially designed for the 971 model, this rear silencer ensures optimal exhaust gas flow and helps reduce noise. The product comes without a tailpipe, giving you the flexibility to fit a tailpipe of your choice or use the existing one. The OEM numbers for this rear silencer are 971253607B and 971253607BY, confirming the authenticity and high quality of the part. This is a used part, but it is in very good condition with only minimal signs of use or storage. As an original Porsche part, it not only guarantees a perfect fit, but also the durability and performance you expect from Porsche replacement parts.

This rear silencer is an excellent choice if you are looking for a high-quality, reliable solution for the exhaust system of your Porsche Panamera that meets the manufacturer's strict specifications while minimising environmental impact.
