Product description

The Porsche AeroKit Carrera rear spoiler for the 911 model 996 is a high-quality addition to your vehicle that not only improves its aesthetics but also increases its aerodynamic efficiency. This rear spoiler is specially designed for the Coupe, Cabrio and Targa body styles of the Porsche 911 model 996 and fits seamlessly into the lines of your car.

The rear spoiler is equipped with an integrated brake light, which increases visibility and ensures additional safety on the road. The OEM number for this part is 99651290300G2X, which confirms its authenticity and compliance with Porsche's high quality standards.

The product is used but in very good condition and undamaged. As an original Porsche part, it not only guarantees a perfect fit but also the durability and performance you expect from Porsche replacement parts.

This rear spoiler is an excellent choice for Porsche enthusiasts who want to enhance the appearance of their vehicle while improving its aerodynamic properties. It fits perfectly into the sporty design of the Porsche 911 model 996 and emphasises the dynamic character of your car.
