Product description

Brake pad repair kit designed for the Porsche Cayenne E1 955 Turbo S model, specifically designed for use on the rear axle. It fits perfectly on vehicles equipped with red-painted brake calipers, which not only increases functionality but also adds an aesthetic look. The pads are new, unused and undamaged, ensuring optimum performance and safety while driving. The product has OEM numbers 95535293951 and 95535293950, which guarantees full compatibility with specific Porsche models. As genuine Porsche parts, these pads ensure a perfect fit and performance, meeting the manufacturer's stringent specifications. This repair kit is an excellent choice for Porsche Cayenne owners who value original parts and want to maintain the authenticity of their vehicle. The red brake calipers further emphasise the sporty character of the car, enhancing its visual appeal. Using this kit will optimise the braking performance of the Porsche Cayenne Turbo S while maintaining its distinctive design.
