Product description

Timeless, iconic, with an eye for detail – the Porsche 911 Targa 60Y Capsule collection combines retro charm with timeless design as a tribute to the 60th anniversary of the sports car. Capsule incorporates historical elements of the first Porsche 911 Targa generation and reinterprets them in selected key pieces. The cap is made of high-quality jacquard fabric and celebrates one of the most iconic patterns in Targa history: Pepita. A tonal, deeply embossed Porsche crest on the front adds a true design highlight. The adjustable leather strap with metal buckle accentuates the retro character and adds a functional touch to the design. A classic reimaged.
