Product description

This high-quality decorative cap for the central locking system is specially designed for the Porsche 911 model 991 Turbo S. It features a coloured Porsche crest that gives your vehicle an individual and stylish accent. The cap fits perfectly on central locking rims and is ideal for enhancing the appearance of your Porsche.

The part numbers for this item are 9P1601349A MH0 and 99136120710, which confirm the authenticity and high quality of the original Porsche parts. As a new product, this item is unused, undamaged and in perfect condition.

The price is for one piece, so you can order the number you need. This wheel cover is an excellent choice to enhance the aesthetics and value of your Porsche 911 991 Turbo S by adding a striking detail that has been specially designed for your model.
