### Product description

This high-quality cover for the lower bumper is specially designed for the Porsche 718 Cayman model 982 and is part of the GTS/Sport Design package. It is an original Porsche spare part with the OEM number 982807984 G2X. The cover is new, unused and undamaged, which ensures its quality and durability.

The cover fits perfectly on the rear bumper of the Porsche 718 Cayman and is ideal for vehicles equipped with the GTS or Sport Design package. It not only improves the appearance of your vehicle, but also protects the lower areas of the rear bumper from dirt and damage caused by stone chips or similar influences.

Installing this cover is easy and requires no special tools, as it has been designed specifically for this model. This guarantees seamless integration with the vehicle design and preserves the originality and value of your Porsche 718 Cayman. Invest in this genuine Porsche spare part to ensure the aesthetics and protection of your vehicle.
