Product description

This mudguard trim for the Porsche 911 model 992, specifically for the GT3RS, is an essential spare part for the left side of your vehicle. The trim has the OEM numbers 9GT807837A G2X and 9GT807660B G2X, which ensures its authenticity and compatibility with the corresponding vehicle model.

As a used original Porsche part, this mudguard trim is in very good condition and undamaged. This is an excellent opportunity to maintain or repair your vehicle with original parts without having to bear the high costs of new replacement parts.

Installation of the trim is straightforward and uncomplicated, as it has been specifically designed for the left side of the Porsche 911 992 GT3RS. This ensures a perfect fit and functionality as intended by the manufacturer.

Visually, the trim helps to maintain or restore the aesthetic appearance of your Porsche, which is particularly important for preserving the market value and appeal of the vehicle. Take advantage of this opportunity to maintain your vehicle with this high-quality, used original part.
