Price:	1.990,37 € (nett:1.672,58 €)

Product description

This instrument cluster from the GTS series is specially designed for the Porsche 911 model 991.2 Carrera GTS. It features a rev counter with a striking dial in contrasting carmine red, which not only enhances the visual appeal of the vehicle interior but also improves readability in various lighting conditions. The integration of the speedometer into the instrument cluster enables clear and precise display of the vehicle speed and other important driving data.

The OEM numbers for this specific part are 9P1920911ACA05, 9P1920911T A05, 9P1920911Q A05, 9P1920911M A05 and 9P1920911J A05, which confirm the compatibility and originality of the replacement part. This is a used part, but it is in very good condition and has no damage. As an original Porsche part, it not only guarantees a perfect fit and function, but also maintains the value and authenticity of the vehicle.

This instrument cluster is an excellent choice for owners of a Porsche 911 model 991.2 Carrera GTS who want to enhance the appearance of their vehicle with a striking and functional upgrade.
