Product description

High quality PORSCHE | HEAD men's ski jacket with snow guard and detachable hood in an exclusive, sporty design. Warmly lined, wind and water repellent.

The new PORSCHE | HEAD Capsule Collection transfers the drive from Porsche to the slopes of the world. The PORSCHE | HEAD Ski Jacket is impressive, as are the matching Midlayer and the PORSCHE | HEAD Ski Pants, with an intelligent and exclusive design inspired by Porsche Motorsport. The fully adjustable hood can be removed if necessary, and the high stand-up collar with a zipper garage comfortably protects the neck even when worn alone. The sleeves and back of the straight-cut slope ski jacket are warmly lined, and the front, which is also padded, is made of water-repellent windstopper material. Fully sealed seams, an adjustable hem with an elastic drawstring, a detachable powder skirt, stretchable inner cuffs and waterproof SAB® VISLON® zippers on the front and outside pockets keep snow and ice out – for comfort in any weather.
