Product description

This exhaust system bracket is a replacement part specially designed for the Porsche 718 Boxster and Cayman GTS 4.0, Cayman GT4 and Boxster Spyder models in the 982 series. The OEM number for this high-quality replacement part is 982251255F. It is a new, unused and undamaged original Porsche part, specially designed for vehicles with a 6-speed manual transmission. The robust construction of this bracket ensures reliable fastening of the exhaust system, which is essential for optimum performance and longevity of the exhaust system. By using original parts such as this bracket, you can be sure that the fit and functionality of your vehicle will be maintained and that the high quality and safety you expect from Porsche will be guaranteed. This replacement part is an excellent choice for owners of a Porsche 718 Cayman or Boxster who value original parts to preserve the authenticity and performance of their vehicle.
