Product description

The Turbo No. 1 collection delivers Porsche performance with a check pattern that pays homage to the interior of the first 911 Turbo. The reversible jacket is stylish both inside and out. The exterior features a clean design with square quilting, side welt pockets and a patch breast pocket. The inside impresses with its iconic check pattern and also features side pockets and two patch breast pockets. What connects the two sides are the flaps with branded press stud fastenings on the breast pockets. Porsche-typical finesse is also evident in the branded reversible buttons and the width-adjustable sleeve hems. The story label on the lower left hem completes the detailed design.
