## Product description

The front bumper for the Porsche Cayenne E3/9Y0 II Turbo GT (facelift, from 2023) is a high-quality replacement part that has been specially developed for this model. The bumper is already painted black and ready for installation, saving you time and additional costs for painting. It has precisely cut-out holes for the parking aid sensors (PDC), which ensures the functionality of your vehicle's parking assistance system and makes integration into the vehicle design seamless.

The OEM number for this part is 9Y0807217AM041, which confirms its authenticity and compliance with Porsche's strict quality standards. As an original Porsche part, this bumper guarantees a perfect fit and excellent quality, specially tailored to the needs and specifications of the Porsche Cayenne Turbo GT.

This product is new and unused, which means it has no signs of wear, damage or defects. Using original parts such as this bumper ensures that the performance and aesthetics of your vehicle are maintained, which not only contributes to value retention but also to safety.

The front bumper is an ideal choice for vehicle owners who value quality and originality and want to ensure that their vehicle remains in optimal condition. It combines functionality with aesthetics and gives your Porsche Cayenne a fresh and distinctive look.
