Available:	ready for shipping
Price:	924,86 € (nett:777,19 €)

Product description

This high-quality exhaust gas turbocharger is specially designed for the Porsche 911 model 991.2 GTS 3.0L with an output of 309 kW and fits cylinders 4 to 6 on the right side of the vehicle. The OEM numbers for this item are 9A212303255, 9A212303254 and 9A212303252, ensuring compatibility with your vehicle.

This used turbocharger is in very good condition and is undamaged, making it an excellent choice for restoring your vehicle to its original performance. As an original Porsche part, this turbocharger guarantees an optimal fit and performance that is specifically tailored to the requirements and specifications of the Porsche 911 GTS.

Installing this exhaust gas turbocharger ensures that your vehicle runs efficiently and at maximum performance by optimally utilising exhaust energy to increase the air supply to the engines. This results in improved acceleration and overall increased driving performance.

In summary, this Porsche 911 991.2 GTS 3.0L 309KW exhaust gas turbocharger is an excellent choice for vehicle owners who value quality, performance and original parts. It offers a reliable solution for increasing engine performance and restoring the original dynamics of your Porsche.
