Product description

The wheel carrier offered here is an essential spare part for the Porsche Boxster, specifically for the 986 model. This fully pre-assembled set includes the wheel hub and the angular contact ball bearing, enabling quick and easy fitting. The wheel carrier is designed for the vehicle's front left (VL) axle.

The OEM number for this specific part is 99634195712KPL, which guarantees its authenticity and compatibility with the Porsche Boxster 986 model. As a genuine Porsche part, this wheel carrier guarantees the highest quality and a precise fit, resulting in improved driving stability and safety.

This product is new, unused and undamaged, making it an excellent choice for the maintenance or repair of your Porsche Boxster. Using genuine parts such as this wheel carrier ensures that your vehicle's performance and longevity are maintained.

In summary, this wheel carrier is an excellent investment for the maintenance of your Porsche Boxster 986, providing the necessary stability and reliability you would expect from a high-quality vehicle.
